What kind of information do we collect from you?

Our primary goal in collecting personal information is to provide our visitors and customers with a superior customized online experience. When you browse and shop on our site, we collect two types of information about our visitors: personal information and non-personally identifiable information.

Personal Information

Personal information is requested when you place an order. We need to know your name, billing address, shipping address, telephone number, E-mail address, and product details to process your order and to notify you of your order status

Non-Personally Identifiable Information

This refers to information that do not identify a specific individual itself. The information of this kind may include the URL you came from, IP address, domain types (e.g. .com or .org, etc.), your browser type, the country, state and telephone area code where your server is located, the pages of our site that were viewed during a visit, the advertisements you clicked. We use this information for enhancing the operation of our site, serving advertisements, for statistical purposes and to administer our systems.

How do we use the information we collect?

We do not seli or rent your personal information to others. The information provided to us as a result of your online purchase such as your gender, name, E-mail address, phone number(s) and shipping address is used only to send orders, to inform you of your order status and send our company newsletter and promotional information. This information is completely confidential and will not be disclosed or sold to any other party. We may also use non-personally identifiable information about our web site visitors such as URL you came from, IP address, domain types, your browser type, the country, the pages of our site that were viewed during a visit, the advertisements you clicked. We use this information for enhancing the operation of our site, serving advertisements, for statistical purposes and to administer our systems

Secure Ordering

Our web-site was developed to support secure online purchasing through secure socket layer (SSL) technology. All information that you provide during the shopping process is encrypted for your protection. You'll know that you're in an encrypted area when you see a solid key when using Netscape Navigator or a closed lock when using Internet Explorer. When you place your order online, your personal information will be encrypted and transmitted via a secured connection to be processed by our authorized online retailer only - a worldwide credit card processing company which serves more than 3000 online stores. The Secure Transaction System provides 128 bit encryption to ensure safe transmission of your credit card details through the checkout process. Your credit card details are not available for us and used only to process your order online.

Making order

How can I make an order?

Since www.CIGmall.net is an online store you can place your order online paying by credit card or check.

On the Menu page you will find all the available brands. Select a brand and click on it. This will take you to the selected brand family page. Then click on the flavor of your choice. It will be automatically added to your shopping cart. If you want to buy more than one brand or style just select another brand from the "Chose your cigarettes" column and repeat the process. When you are done click "Go To Secure Checkout". You will be taken to Secure Server and you should fill in all the required fields. After that click "Purchase". At this point you will have to proceed with your payment. Your payment will be processed in US Dollars, through a highly secured server designed to keep your identity and payment details private. After you complete ALL STEPS, your order is considered placed.

Is there a maximum order?

No. The quantity of cigarettes that can be purchased at CIGmall. Net is left to the discretion of customers who must be aware of the laws in force in their country and the sanctions they may Incur.

ATTENTION! First time customers are allowed to order not more than 12 cartons. First time customers who want to order a quantity of cigarettes larger than 12 cartons should send us the following documents:

a photocopy of the physical credit card front & back (only the first four and the last four digits of the credit card number to be seen) a written statement and signature from the cardholder declaring the order is legitimate Please send the required docs to support@cigmall.net Thank you. Please don't forget to quote you order number and your full name in the email message!

How can I find out my order status?

After you've placed your order at CIGmail.Net you will be automatically notified by E-mail when we approve and ship your order. Please, notice that we do not ship orders within 24 hours to give you a possibility to change or update your postal address and / or the order items. In such cases you must immediately send us an e-mail with your changes. Please enclose your order number when writing about changes in your order.

Is there any difference between the white filter and the brown filter Marlboro Lights?

Yes. The first are made to match the taste of American smokers while the second are suited to European tastes. Phillip Morris does not provide any other Information on this matter. According to smokers (and suggestions), the "white filters" may be slightly stronger. There is only one way to find out. Try them!

Will you be offering other brands in the future?

Yes. The number and type of available brands may change in time.

[top]

Delivery

What countries do you deliver to?

We deliver to USA only.

How long does the delivery take?

Delivery times are 9-18 days for cigarettes made in Ukraine, 11-20 days for cigarettes made in Russia and 3-6 working days for USA made ones.

What are your delivery rates?

Delivery rate is \$5.95/carton for European (Ukraine, Russia) made cigarettes and \$6.95 for Usa made digarettes.

Are the mailing times shown on site guaranteed?

No. Air Mall delivery can be affected by mailing problems in the destination U5 state. But we meet mailing problems so rare that no statistics can be made out of this.

If I place an order on Saturday, when my order will be sent?

When we receive orders we guarantee to ship them in 2 working days (usually it takes not more than 36 hours). Orders placed on Thursdays are processed on Fridays and shipped on Mondays. Orders placed on Fridays, Saturdays and Public Holidays are processed on the first working day after reception and shipped on the second day. The day and time when your order was packed and shipped you'll receive by special e-mail. Please, notice that we do not ship orders within 24 hours to give you a possibility to change or update your postal address and/or the order items. In such cases you must immediately send us an e-mail with your changes. Please don't forget to quote your order number when writing about changes in your order.

I bought twelve (6 and 6) cartons of clgarettes one week ago and I have received only one parcel of 6 cartons. Is that normal?

Yes. The cartons are shipped in parcels (one parcel contains not more than 6 cartons for King Size and 8 cartons for Silms) within 2 days but in rare cases they reach destination together. The time between the first and the last parcel delivery is in average 5 to 10 days for the United

Do you deliver by any couriers? (e.g.: DHL, UPS, TNT, etc.)

No. We work with the European AirMail only.

Can I track my order?

No, as the parcels are sent by AirMail there are no trackings.

What kind of information do we collect from you?

Our primary goal in collecting personal information is to provide our visitors and customers with a superior customized online experience. When you browse and shop on our site, we collect two types of information about our visitors: personal information and non-personally identifiable information.

Personal Information

Personal information is requested when you place an order. We need to know your name, billing address, shipping address, telephone number, E-mail address, and product details to process your order and to notify you of your order status

Non-Personaliy Identifiable Information

This refers to information that do not identify a specific individual itself. The information of this kind may include the URL you came from, IP address, domain types (e.g. .com or .org, etc.), your browser type, the country, state and telephone area code where your server is located, the pages of our site that were viewed during a visit, the advertisements you dicked. We use this information for enhancing the operation of our site, serving advertisements, for statistical purposes and to administer our systems.

How do we use the information we collect?

We do not sell or rent your personal information to others. The information provided to us as a result of your online purchase such as your gender, name, E-mail address, phone number(s) and shipping address is used only to send orders, to inform you of your order status and send our company newsletter and promotional information. This information is completely confidential and will not be disclosed or sold to any other party. We may also use non-personally identifiable information about our web site visitors such as URL you came from, IP address, domain types, your browser type, the country, the pages of our site that were viewed during a visit, the advertisements you dicked. We use this information for enhancing the operation of our site, serving advertisements, for statistical purposes and to administer our systems

Secure Ordering

Our web-site was developed to support secure online purchasing through secure socket layer (SSL) technology. All information that you provide during the shopping process is encrypted for your protection. You'll know that you're in an encrypted area when you see a solid key when using Netscape Navigator or a closed lock when using Internet Explorer. When you place your order online, your personal information will be encrypted and transmitted via a secured

Making order

How can I make an order?

On the Menu page you will find all the available brands. Select a brand and click on it. This will take you to the selected brand family page. Then click on the flavor of your choice. It will be automatically added to your shopping cart. If you want to buy more than one brand or style just select another brand from the "Chose your cigarettes" column and repeat the process. When you are done dick "Go To Secure Checkout". You will be taken to Secure Server and you should fill in all the required fields. After that click "Purchase". At this point you will have to proceed with your payment. Your payment will be processed in US Dollars , a highly secure payment method designed to keep your identity and payment details private. After you complete ALL STEPS, your order is considered placed.

Is there a maximum order?

No. The quantity of digarettes that can be purchased at CIGmail. Biz is left to the discretion of customers who must be aware of the laws in force in their country and the sanctions they may

How can I find out my order status?

After you've placed your order at CIGmail.Biz you will be automatically notified by E-mail when we approve and ship your order. Please, notice that we do not ship orders within 24 hours to give you a possibility to change or update your postal address and / or the order items. In such cases you must immediately send us an e-mail with your changes. Please enclose your order number when writing about changes in your order.

About our products

Are the cigarettes sold at CIGmall.Biz first choice?

The dgarettes sold at CIGmail. Biz are of the highest quality available on the market. We sell brands made in Ukraine, Russia and USA.

Do you sell other brands of cigarettes?

Not currently. The only brands we sell are shown on the Home page.

Is there any difference between the white filter and the brown filter Marlboro Lights?

Yes. The first are made to match the taste of American smokers while the second are suited to European tastes. Philip Morris does not provide any other information on this matter. According to smokers (and suggestions), the "white filters" may be slightly stronger. There is only one way to find out. Try them!

Will you be offering other brands in the future?

Yes. The number and type of available brands may change in time.

Delivery

Are there countries to which you do not deliver?

Yes. We deliver to USA only.

Why can't you send me a single parcel containing more cartons?

Because It would be subject to duty since the width and value would not fall within the prescribed international parameters.

If I make an order Saturday, when my order will be sent?

Usually, your order is processed in 24 hours. Orders received on Saturdays are sent on the first working day following reception (Sundays and public holidays).

Do you accept military addresses for shipping (FPO, APO)?

- Unfortunately no. We do not accept military addresses for shipping due to little chance of successful delivery. We had many cases when parcel with such destination address were lost.

[top]

Legality

Is it legal to resell cigarettes ordered from CIGmall, Biz?

No. This is against the law in any country of the world.

Is it illegal to order a large quantity of cigarettes, for example, 50 cartons?

The quantity of cigarettes that can be purchased at CIGmall.Biz is left to the discretion of customers who must be aware of the laws in force in their country and the sanctions they may incur if their intention is to resell "duty free" cigarettes. It is the responsibility of the Buyer to ascertain and comply with the laws relating to the purchase and use of any tobacco goods. In order to determine the applicable limits on purchases or taxing responsibilities, if any, imposed by your particular state, the consumer may want to contact their state authorities.

[top]

Customs

Do you guarantee that no duty will be paid worldwide?

We cannot guarantee that no tax will be paid worldwide because some countries may occasionally apply the International postal regulations and standards. In the USA, parcels containing 200 cigarettes are exempted from taxes.

[top]

Guarantee

Will I get my money back or have the goods replaced if the parcel is lost, stolen or damaged?

CIGmall.Biz offers a 100% money back guarantee covering the price of the cigarettes and shipping costs if, for any reason, the purchase is not deemed satisfactory.

Can I withdraw the order placed with your online store?

You can withdraw your order within 24 hours of its placement.

[top]

Non-disclosure

Does CIGmall.Biz use personal data of customers (malling address, e-mail address, etc.) for advertising campaigns or other promotional activities?

We do not sell or rent your personal information to others. The information provided to us as a result of your online purchase, such as your name, E-mail address, phone number(s) and point of delivery or forwarding address are only used for shipping.

Does CIGmall.Biz have a database containing the customer's credit card details?

No. Your personal information will be encrypted and transmitted via secure connection.

Does CIGmall.Biz store information on who bought cigarettes online on files?

No, we don't store this information.

[top]

Payments

What payment methods are acceptable?

You can pay by Credit Card (Visa) or E-Check.

What is your Chargeback policy?

We will not tolerate credit card chargebacks and any customer attempting or threatening to do this will be immediately barred from making any future purchases on this website as well as having their card blacklisted among processors. If there is a problem we will always seek a solution resulting in either a refund or a reship in line with our structured reship and refund procedure.

What kind of information do we collect from you?

Our primary goal in collecting personal information is to provide our visitors and customers with a superior customized online experience. When you browse and shop on our site, we collect two types of information about our visitors; personal information and non-personally identifiable Information.

Personal Information

Personal information is requested when you place an order. We need to know your name, billing address, shipping address, telephone number, E-mail address, and product details to process your order and to notify you of your order status

Non-Personally Identifiable Information

This refers to information that do not identify a specific individual itself. The information of this kind may include the URL you came from, IP address, domain types (e.g. .com or .org, etc.), your browser type, the country, state and telephone area code where your server is located, the pages of our site that were viewed during a visit, the advertisements you dicked. We use this information for enhancing the operation of our site, serving advertisements, for statistical purposes and to administer our systems.

How do we use the information we collect?

We do not sell or rent your personal information to others. The information provided to us as a result of your online purchase such as your gender, name, E-mail address, phone number(s) and shipping address is used only to send orders, to inform you of your order status and send our company newsletter and promotional information. This information is completely confidential and will not be disclosed or sold to any other party. We may also use non-personally identifiable information about our web site visitors such as URL you came from, IP address, domain types, your browser type, the country, the pages of our site that were viewed during a visit, the advertisements you dicked. We use this information for enhancing the operation of our site, serving advertisements, for statistical purposes and to administer our systems

Secure Ordering

Our web-site was developed to support secure online purchasing through secure socket layer (SSL) technology. All information that you provide during the shopping process is encrypted for your protection. You'll know that you're in an encrypted area when you see a solid key when using Netscape Navigator or a closed lock when using Internet Explorer. When you place your order online, your personal information will be encrypted and transmitted via a secured connection to be processed by our authorized online retailer only - a worldwide credit card processing company which serves more than 3000 online stores. The Secure Transaction System provides 128 bit encryption to ensure safe transmission of your credit card details through the checkout process. Your credit card details are not available for us and used only to process your order online.

Making order

How can I make an order?

On the Menu page you will find all the available brands. Select a brand and click on it. This will take you to the selected brand family page. Then dick on the flavor of your choice. It will be automatically added to your shopping cart. If you want to buy more than one brand or style just select another brand from the "Chose your cigarettes" column and repeat the process. When you are done click "Go To Secure Checkout". You will be taken to Secure Server and you should fill in all the required fields. After that dick "Purchase". At this point you will have to proceed with your payment. Your payment will be processed in US Dollars, a highly secure payment method designed to keep your identity and payment details private. After you complete ALL STEPS, your order is considered placed.

Is there a maximum order?

No. The quantity of cigarettes that can be purchased at CIGmall.us is left to the discretion of customers who must be aware of the laws in force in their country and the sanctions they may incur. However we don't accept orders larger than 12 cartons from first time customers. This is our company policy to prevent fraudulent orders.

What is my order status?

You will be automatically notified by E-mail once we approve or ship your order. Please, note that we do not ship orders within 24 hours to give you the possibility to change or update your postal address and / or ordered items. In such cases you must immediately send us an e-mail with your changes. Please enclose your order number when writing about changes in your order. Our delivery times are 10-18 day. Please acknowledge the receipt of your cigarettes!

Legality

Is it legal to resell cigarettes ordered from CIGmail.us?

No. This is against the law in any country of the world.

Is it illegal to order a large quantity of cigarettes, for example, 50 cartons?

The quantity of digarettes that can be purchased at CIGmall.us is left to the discretion of customers who must be aware of the laws in force in their country and the sanctions they may incur if their Intention is to resell "duty free" cigarettes. It is the responsibility of the Buyer to ascertain and comply with the laws relating to the purchase and use of any tobacco goods. In order to determine the applicable limits on purchases or taxing responsibilities, if any, imposed by your particular state, the consumer may want to contact their state authorities.

[top]

Customs

Do you guarantee that no duty will be paid worldwide?

We cannot guarantee that no tax will be paid worldwide because some countries may occasionally apply the International postal regulations and standards. In the USA, parcels containing 200 cigarettes are exempted from taxes.

[top]

Guarantee

Will I get my money back or have the goods replaced if the parcel is lost, stolen or damaged?

CIGmall.us offers a 100% money back guarantee covering the price of the cigarettes and shipping costs if, for any reason, the purchase is not deemed satisfactory.

Can I withdraw the order placed with your online store?

You can withdraw your order within 24 hours after its placement.

[top]

Non-disclosure

Does CIGmall.us use personal data of customers (mailing address, e-mail address, etc.) for advertising campaigns or other promotional activities?

We do not sell or rent your personal information to others. The information provided to us as a result of your online purchase, such as your name, E-mail address, phone number(s) and point of delivery or forwarding address is only used for shipping.

Does CIGmall.us have a database containing the customer's credit card details?

No. Your personal information will be encrypted and transmitted via secure connection.

Does CIGmall.us store information on who bought cigarettes online on files?

No, we don't store this information.

Frequently Asked Questions

DELIVERY

PAYMENTS

PRODUCTS

PRICES

CUSTOMS

RETURN POLICY

What countries do you deliver your products?

We deliver to USA only.

How long does the delivery take?

Delivery takes 9-18 days from Ukraine and 11-20 days from Russla.

What are your delivery rates?

Delivery rate is \$3.45 per 1 carton. Please note that we have a handling fee of \$7.00 per order.

Are the mailing times shown on site guaranteed?

No. Air Mail delivery can be affected by mailing problems in the destination US state. But we meet mailing problems so rare that no statistics can be made out of this.

If I place an order on Saturday, when my order will be sent?

When we receive orders we guarantee to ship them In 2 working days

(usually it takes not more than 36 hours). Orders placed on Thursdays are processed on Fridays and shipped on Mondays. Orders placed on Fridays, Saturdays and Public Holidays are processed on the first working day after reception and shipped on the second day. The day and time when your order was packed and shipped you'll receive by special e-mail. Please, notice that we do not ship orders within 24 hours to give you a possibility to change or update your postal address and/or the order items. In such cases you must immediately send us an e-mail with your changes. Please don't forget to quote your order number when writing about changes in your order.

What do you mean under word "parcel"?

Parcel Is a package with maximum volume of 6 cartons (or 8 cartons in rare cases) packed into a special carton box for your cigarettes to reach you in a perfect condition.

Do you deliver by any couriers? (e.g.: DHL, UPS, TNT, etc.)

No. We work with the European AirMail only.

Can I track my order?

No, as the parcels are sent by AirMall there are no trackings.

What happens if I am not at home when the parcel arrives?

There are two possibilities:

- 1. The parcel can only be delivered to the addressee or to another person (e.g. a member of the family, a colleague, a porter, etc.) who will sign a receipt. If no-one is at home, a postman will leave a note
- 2.The parcel can be taken from your local post office with no additional charge. Please note that this standard procedure may slightly differ from state to state.

What payment methods do you accept?

We accept Credit Cards (Visa) and eChecks.

Can I pay by postal order or money order?

No. Unfortunately we accept credit cards and eChecks only.

Can I place an order by telephone or Fax?

No. You can place your order online only,

How to pay by check?

Payment by check is a processing service that allows customers to pay for cigarettes over the Internet by check without the need to mail a check. To pay by check please follow the below steps: Get your checkbook. Pull out the next valid check. Copy all information from that check to the last checkout form. Press the "Complete Purchase" button on the last checkout form and wait for the confirmation screen. Write void on your check and keep it with your printed receipt. Make sure to record an entry in your check register for the amount of this check and the check number. You will see this transaction in your monthly bank statement soon.

What is your Chargeback policy?

We will not tolerate credit card chargebacks and any customer

TOP

attempting or threatening to do this will be immediately barred from making any future purchases on this website as well as having their card blacklisted among processors. If there is a problem we will always seek a solution resulting in either a refund or a reship in line with our structured reship and refund procedure.

TOP

Do you sell other brands of cigarettes in addition to those advertised at your site?

No. The only brands we sell are shown on the Top of the pages.

Are the cigarettes sold at Clgarettes-Planet.net first choice?

The cigarettes sold at Cigarettes-Planet.net are of the highest quality available on the market made under the authorisation of worldwide known tobacco manufacturers. We sell brands made in Europe.

Do I have to pay a fee to join Cigarettes-Planet.net?

No, you do not, the access to our site is free, you don't need to pay a fee to enter it or to make your purchases.

Is there any difference between the American and the European made cigarettes?

Yes. The first are made to match the taste of American smokers while the second are suited to European tastes. Philip Morris does not provide any other information on this matter. According to smokers (and suggestions), the European ones may be slightly stronger. There is only one way to find out. Try them!

TOP I

All the prices listed in our store are in US dollars and the amount charged from your credit card must be equal to the amount for cigarettes bought.

Shipping cost - \$3.45 per carton Handling cost - \$7.00 per order

Why are the prices of the cigarettes sold at Cigarettes-Planet.net considerably more competitive than your competitors?

We purchase bulk amounts of cigarettes from the manufacturers and we limit our choice to a few selected brands. The products reach our customers without additional steps and the procedure is extremely rational.

TOP

Do you guarantee that no duty will be paid world-wide?

No, we don't. Some countries may occasionally not apply the international postal regulations and standards.

If you finally got in the situation of having to pay taxes you can do the following:

-you can pay taxes and pick up the parcels

-you can reject the parcels and ask for money back. The cigarettes will be sent back and we guarantee to make the refund minus shipping and handling charges as soon as it reaches us.

Is smoking duty-free cigarettes against the law?

No. Duty-free cigarettes can be smoked anywhere in the world. These cigarettes are sold in all international airports.

Is reselling duty-free cigarettes against the law?

Yes. This is against the law in all countries world-wide.

The cigarettes on sale at Cigarettes-Planet.net are for **personal use only** and not for resale.

Can Cigarettes-Planet.net disclose data on who bought cigarettes online to others?

Absolutely not. All personal Information in the Cigarettes-Planet.net web site will be treated according to the National Law. The data could not be disclosed even upon an official request submitted by foreign country authorities.

TOP

What is your return policy?

If you receive an incorrect item due to a mistake on our part please email us and we will gladly replace the wrong item with the correct item. If there was a mistake on your part you can ship the incorrect merchandise back to us at your expense. Any item(s) sent out after your original order due to a mistake or damage will be charged to your credit card. Once the incorrect or damaged item(s) are returned to Cigarettes-Planet.net we will credit that amount back to your credit card.

If you decide that after you receive your order you do not want an ltem(s) just return the "unopened" carton(s) back to us at support@cigarettes-planet.net and we will refund your credit card. Shipping fees cannot be refunded. Refunds take up to 10 business days to process. There is a 15% restocking fee on all returns. All returns must be made within 30 days of purchase.
